Expertise at Your Service

We care for your work and want your GeoMax tools to stay operational for as long as you work*. Our highly skilled service centres support you around the world for the lifetime of your product.

Cover-All Warranty

The new GeoMax ZAL100 Series comes with a cover-all warranty for one year, protecting the tool from all defects that could occur during regular use, keeping you fully operational at all times and limiting downtime to the minimum.

Free of charge services during the warranty period:

- Repair (parts and labour) or exchange of your level
- Full functional and safety check

* The warranty does not cover damage caused by abuse or mishandling.
